GOV'T THROWIN' MONEY AWAY AINT NEW.

In recent days there has been considerable comment here & there about the annual ritual our Burrocrats go through in makin' sure they spend all of th' money Congress has appropriated and some of th' ridiculous ways this is done. Like buying furniture, office equipment and other stuff that winds up collectin' dust in a warehouse somewhere. Why Congressmen Levin of Michigan and Cohen of Maine have not transmitted onto this situation means either they must be new around Wash. or they, or they ain't been payin' nuthin'.

This matter of buyin' stuff that ain't needed and throwin' it away or givin' it away at prices that make buyers of inventory surplus millionaires has been around for generations. Not all of this good stuff winds up in surplus buyers' hands. They do say that th' seuss off.

**Cows, Bulls Higher
at Oklahoma City**
Oklahoma City, July 21 (USDA)
Receipts 1,800. Feeder steers and heifers
(CONT. ON PAGE 5)

Around the central markets Monday fed steers and heifers were generally steady to slightly higher, however reports indicated packers were watching quality and grade very closely and some points had the low end of the fed cattle quotations on the shorter fed and younger cattle in the grade. Slaughter recovered some of last week's losses and bulls were mostly steady to firm. Butcher hogs posted gains of 25c to 75c at most points. Estimated cattle bill Monday at 110,000 was a couple of thousands below a week ago, but 10,000 over a year earlier. Cattle receipts 3,500 to 4,000 last Monday. Estimated hog kill at 318,000 was 4,000 over a week and also a year ago. Hog receipts were 2,100 below last Monday. Price trends, quotations on choice and prime steers and heifers and on the mixed good and choice grades and on good and choice Holstein steers and 11.5-1.5 hogs scaling 200 to 280 pounds included:

OMAHA fed steers steady to 75c higher and heifers steady. Steers \$69 to \$72.75 and \$68 to \$69.50. Holsteins \$61 to \$68.50. Heifers \$65 to \$68 and \$64.50 to \$68.50. Hogs 50c higher at \$43.50 to \$45. SIOUX CITY fed cattle 50c to \$1 higher. Steers \$71 to \$72 and \$69.50 to \$71. Holsteins \$60 to \$62. Heifers \$65.50 to \$68.25 and \$68 to \$68. Heifers 25-50c higher at \$42 to \$43.

ST. PAUL fed cattle fully steady. Steers \$69 to \$70 and \$67.50 to \$69. Holsteins \$69.50 to \$68. Heifers \$66.50 to \$67 and \$67 to \$68.50. Hogs steady to firm at \$42 to \$43.50. SIOUX FALLS fed cattle steady, spots 25-50c higher. Steers \$69 to \$71.50 and \$67.50 to \$69. Holsteins good and choice \$65. Heifers \$65 to \$68.50 and \$62.50 to \$65. Hogs 25-75c higher at \$43 to \$44.75.

JULIET fed steers 50c to \$1 higher, heifers steady to weak. Steers \$69 to \$71 and \$68 to \$69. Choice Holsteins \$62.50 to \$62.50. Hogs 50c to \$69 and \$66 to \$68. Hogs 25-50c higher at \$41.75 to \$45.25. PEORIA steers steady to \$1 higher and heifers steady to 50c higher. Steers \$60 to \$71.50 and \$67.50 to \$69. Heifers \$66 to \$68 and \$64 to \$66. Hogs steady to weak, spots 50c lower at \$42 to \$43.

ST. LOUIS compared to last Tuesday fed steers \$1 to \$1.50 higher and heifers firm to 50c higher. Steers \$67.50 to \$69.50 and \$68 to \$67.50. Holsteins \$57 to \$61. Heifers \$64 to \$66 and \$63 to \$64.50. Hogs steady to 50c higher at \$42 to \$45. ST. JOSEPH steers under 1,100 lbs., 25-75c higher, over 1,100 lbs weak to 50c lower. Heifers steady to weak. Choice steer \$68 to \$71.20 and choice heifers \$62.50 to \$66.30. Hogs 25-75c higher at \$42 to \$45.

The Cattle

American Black Maine-Anjou Cattle continue to perform in all phases of beef production. The producer applauds the reproductive and maturing ability of American Black Maine-Anjou females. Beef cattle specialists applaud the carcass statistics.

In a recent test conducted at Colorado Feeders, Dullhart, Texas, by Frank A. Oels, Ph.D., Meat Science, on fifty head of American Black Maine-Anjou steers - 98% graded low choice or better with a ribeye area of 15.5 square inches. Dr. Oels' comment: "Excellent!"

The people at the ABMAA offices are your full-time employees. Their only interests are to serve you in the breeding, registration, promotion and marketing of your Black Maine-Anjou Cattle. Look for the American Black Maine-Anjou Association booth at the major livestock shows. Charles Lankford, executive secretary of the Association heads up the ABMAA offices. Kelly Tucker has recently come to the association to assist Charles.

American Beefalo Assn. Picks Executive Director

Joe T. Barnett, president of the ABA, has announced that George O'Connor, Wildwood, Fla., has been hired as executive director of the ABA. O'Connor has been working with the ABA since last November when he was retained to project the image of the association and the beefalo breed. He took up his duties as executive director in the ABA headquarters, Louisville, Kentucky.

O'Connor is an active member of the ABA and is serving his second term as secretary-treasurer of the Florida chapter of the ABA. The announcement concerning O'Connor came following the meeting of the ABA board of directors in Orlando, Florida. According to President Barnett, the board meeting also produced finalized plans for a registry of performance, several proposed amendments to the by-laws and appointments of annual committees.

American Beefalo Breeders To Form Local Association

Sherman, Texas — The American Beefalo Association breeders in Texas, Oklahoma, Arkansas and Louisiana will meet Saturday, August 9, 1980 to form a local Beefalo Breeders Association. The meeting will be held at the Holiday Inn, 2105 Highway 75 North, Sherman, Texas 75090, 214/892-2162. The purpose of the association will be to promote the American Beefalo Breed. Registration for the meeting will take place at 10:00 a.m. to 1:00 p.m. Cecil Judd, Director of the American Beefalo Association from Kenefic, Oklahoma, has invited those interested in beefalo cattle to come by his ranch on Sunday, August 10, 1980 to look over his beefalo breeding program.

American Beefalo Membership Meeting, Sale, Nov. 18-19

Louisville, Ky. — The American Beefalo Association will hold both its annual membership meeting and the breeds Kentucky National Show and Sale, November 18-19, 1980 at the Kentucky Livestock and Exposition Center in Louisville, Kentucky.

This year marks the 3rd time that the big show has been held in Louisville, and it is coordinated in conjunction with the North American International Livestock Exposition and with the Co-sponsorship of the Kentucky Department of Agriculture.

Livestock Slaughter, Meat Production

Washington, July 18 (USDA) — Total red meat production under federal inspection for the week ended 7/19/80 was estimated at 682 million pounds. This was unchanged from a week ago and 5% above a year ago.

Mountain Resort Site of Simmental Conference

Bozeman, MT — Keystone Resort, located deep in the heart of the majestic Colorado Rockies will serve as the location for the American Simmental Association's sixth annual Summer Conference, July 31-August 2. The 1980 Conference is being built around the theme of "What's Behind the Simmental Explosion?"

"Keystone is an ideal facility for the purpose of holding our Summer Conference," said ASA Trustee Miles Davies of Deer Trail, Colorado, Chairman of the Planning Committee. "Not only is it located in a beautiful, highly scenic setting, but the resort has an abundance of meeting rooms and other features which make for a successful meeting."

Simmental Heifer Futurity "Successful"

The American Simmental Association's National Junior Heifer Futurity, held June 13-14 in Springfield, Illinois was enthusiastically attended by large numbers of Junior ASA members, their parents and advisors.

"This event was highly successful," said ASA President Albert West III of San Antonio, Texas. "We think this is a great beginning, and starts us well on our way to having the finest association youth program in the entire country."

West expressed his gratitude to the host Illinois Association. "We especially want to thank the Illinois people and their President, Duke Feik, who did such an excellent job of organizing and coordinating the program."

More than 300 persons participated in some portion of the busy two-day schedule. Nearly 200 attended the concluding awards banquet.

Overall contest winner was Christopher Hagland of Magnolia, Kentucky, with Randy Sandage of Saybrook, Illinois second. Third was Crystal Akers of Stephenville, Texas, with Jerry Hill of Tuttle, Oklahoma fourth. Jeff Gramm of Gridley, Illinois was fifth, and Roger Allen of Homer, Illinois sixth. In the Junior Division, Nikki Overbeck of Clinton, Indiana was first, followed by Carrie Rasham of Stephenville, Texas in second place, and James Stephen of Dublin, Texas third.

S Bar W Simmental Polled Influence Sale Set August 23

Woodville, Texas — The S Bar W Simmental Ranch Polled Influence Sale will be held Saturday, August 23, 1980. Sale time is 1:00 p.m. at the ranch at Woodville, Texas. Lunch will be served at noon.

Selling will be Polled Fullblood Females and Bulls, Double Polled Fullblood Females and Bulls, Fullblood pairs, Fullblood bred cows, open fullblood heifers, purebred bred cows and Simbrah heifers.

The sale will be held in the indoor, air conditioned sale facility. Auctioneers will be Merrill Anderson and Joe Mitcham.

Sale headquarters will be the Woodville Inn at Woodville, Texas. A pre-sale dinner party is set for Friday, August 22 at 7:30 p.m. at the Pickett House of Heritage Village.

For reservations, catalogs and additional information contact the S Bar W Ranch office, 713/283-3711. Harry W. Stafford and Joseph Wheat, owners and Arthur Daniels, Ranch Manager. Mailing address, P. O. Box 12, Woodville, Texas 76799, ranch phone 713/969-2504.

Simmental Meetings

July 31 - August 2 — Summer Conference American Simmental Association, Keystone Resort, Keystone, Colorado.

January 19-20 — Annual Meeting and Convention, American Simmental Association, Fairmont Hotel, Denver, Colorado.

Junior Simmental Show at State Fair of Texas

This year the Texas Simmental Association will sponsor a Junior Heifer Show during Junior Week at the State Fair in Dallas. All bonafide Texas 4-H and FFA members are eligible to compete if they are regularly enrolled in public or private school of less than college level and are at least nine years old and less than twenty one years old on October 1, 1980.

Persons needing more information are instructed to contact the American Simmental Association, One Simmental Way, Bozeman, Montana, 59715, telephone number 406/587-4531.

Page 8

WEEKLY LIVESTOCK REPORTER

July 24, 1980

the sole name of the exhibitor before July 1, 1980. If the exhibitor is the original owner of the heifer, then the date of issue will be used and if the exhibitor purchased the heifer, then the date of re-issue will determine the date of ownership. Heifers born on or after January 1, 1980 will be accepted if registration has been applied for before July 1, 1980 and application has been made in the name of the exhibitor. A letter from the A.S.A. must accompany these heifers stating that application for registration has been made in the name of the exhibitor before July 1, 1980. This letter along with a copy of the application, must be presented to the superintendent when the heifer is checked in. All heifers tattoos will be checked.

Any Junior Exhibitor planning to purchase a January 1980 or younger heifer should see that the breeder fills out an application for registration and signs it as the breeder, then lists the exhibitor as owner and has him or her sign it, and send it to the A.S.A. office before July 1, 1980. Then a letter from the A.S.A. can be obtained confirming

Simmental Premiums At The Pan-American Livestock Exposition

"Simmental breeders and exhibitors now have a complete program at the 28th Annual Pan-American Livestock Exposition," stated Don Clark, Director of the Exposition. "This year marked the third year for competitive open classes and the first year for Junior Simmental heifer classes."

Exhibitors will be at the Pan American for the open show October 9-12, and compete for increased premiums of \$5,000 on Friday, October 10. Junior exhibitors will parade their heifers such

Classes will be divided as evenly as possible after the heifers arrive. Premium money will be furnished by the State Fair of Texas, the Texas Simmental Association and the East Texas Simmental Association. Trophies for Champion and Reserve Champion Heifers will be furnished by the Texas Junior Simmental Association.

Simbrah. The best of both worlds.

America's most promising new beef breed ... combining the proven genetics of Simmental and Brahman.

Simmental contributes rapid growth, feedlot efficiency, excellent Yield Grade — plus the genetics for desired maternal traits of high fertility and abundant milk.

Brahman adds heat and humidity tolerance, disease and insect resistance, mothering ability, longevity and foraging ability.

The result is ...
Simbrah.
The working
combination.

WITH THE

BLASTER SPRAYER

Increase pasture capacity and cattle weight gains. Control brush, weeds, rose hedge, mesquite, scrub oak, broadleaf weeds, grass burrs, army worms, green bugs, grasshoppers, and other insects.

Blaster is a natural for fly control for feed lots, hog lots and dairies.

The reason The Blaster is the One to buy:

- Lifetime stainless steel tank.
- Oil bath gear box — no troublesome V belts.
- Greater mixing action — 3 times the capacity of competitive equipment.
- The blaster is the only mist sprayer unconditionally guaranteed for 1 year.
- Guaranteed to cover twice the acreage per hour more than any competitive equipment.
- "Check our price on Vapona"

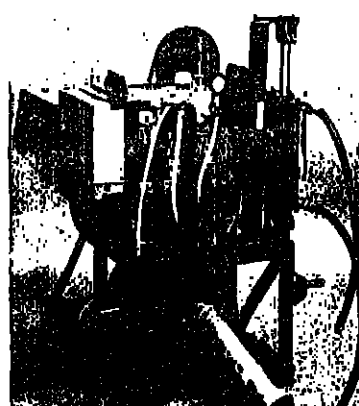

ATTACHMENT ALSO AVAILABLE TO BLOW SNOW, WATER AND OLD FEED OUT OF FEED TROUGHS

Spraying Equipment has been basically the same for many years. Now GWF Mfg. has a new blaster sprayer that will effectively spray 60 acres per hour.

PINZGAUER

Pinzgauer Headquarters Moving to Ames, Iowa, Prophet Publication Stops

The American Pinzgauer Association offices are being moved from Norman, Okla., to Ames, Iowa, and publication of the Pinzgauer Prophet magazine is being suspended, said Dr. Dan Scott, of Murchison and Dallas, president of APA.

Emmett Carter, executive secretary, will no longer be with the association, but will remain in Norman to handle increasing personal ranching and business interests there.

Dr. Scott said that the association is embarking on an effort to raise money for a greatly expanded advertising and promotional campaign, and already has commitments for some of the funds. "Jay Nixon of Fort Worth has been engaged to handle a stepped-up advertising campaign through his advertising agency, The Outfit, and John Joyce of World Sales at Wharton has been about five major Pinzgauer sales during the next year," Dr. Scott said.

Jim Glenn, with Iowa Beef Improvement Association, will be handling Pinzgauer registrations and transfers, and information on the breed. Correspondence should be addressed to Jim Glenn, Iowa Beef Improvement Assn., 123 Airport Road, Ames, Iowa, 50010, phone 615/233-3937.

Dr. Scott said that the association had reached the limit of capacity of the small computer it shared for registration and transfers of cattle at the Norman facility, and has engaged Bowing's computer with unlimited capacity to begin handling registrations and transfers Oct. 1. He urges breeders to continue sending in their papers as rapidly as possible, and said that there will be only a slight delay in returns because of the changeover.

Dr. Scott said the Pinzgauer Prophet will be replaced with an association newsletter called the Pinzgauer Planner, and that a directory of the membership will be published. The Norman office will be closed at the end of July and the Ames office officially opened Aug. 1.

Pinzgauer Crosses Have Slight Edge In USDA Feed Gain Test

Pinzgauer crosses showed a slight edge in average daily gain in a test of 708 crossbred steers of five types this year at the U.S. Meat Animal Research Center at Clay Center, Neb., although there was no significant difference in feed efficiency of the different types.

The steers, all from Hereford and Angus dams, posted these daily gains through the first 213 days of the test: Pinzgauer 2.56 pounds; Hereford-Angus crosses 2.53 pounds; Tarentaise and Angus crosses 2.47 and 2.46 pounds respectively; and Sahiwal just over 2 pounds, and Brahman crosses 2.28 pounds.

Roman L. Ruska, director of the center, said the slower gaining Sahiwal crosses made the least efficient use of feed, and the Hereford and Angus had a slight advantage in the feed used to reach 18.9 percent fat trim.

Average weights going into and finishing the tests were: Brahman 571 and 1048 pounds; Tarentaise 555 and 1082 pounds; Pinzgauer 538 and 1040 pounds; Hereford-Angus 535 and 1027; and Sahiwal 640 and 979 pounds.

Largest Pinzgauer Sale Set Sept. 6

Gallatin, Tenn. — David S. Bradley's Red River Farms and James A. Womack's Green Acres Farms will have the largest offering of Pinzgauer cattle ever to sell in North America in their 3rd production sale near here Sept. 6 beginning at 11 a.m.

More than 300 lots of select Pinzgauer cattle from halfbloods to fullbloods will be auctioned by Curt Rodgers of Platte City, Mo., and C. J. Oakwood of Oakwood, Ill.

Further information is available from North American Auction Co., P. O. Box 1148, Platte City, Missouri 64079, phone 816/431-5708.

Southwest Pinzgauer Sets Club Calf Sale And Jackpot Show

Shreveport, La. — The Southwestern Pinzgauer Association has announced a Club Calf Sale to be held October 17, 1980. The sale will be held at the Louisiana State Fairgrounds in Shreveport, La. Calves for the sale have already been consigned from breeders in Tennessee and Texas. All calves will be 3/4 blood and higher.

Calves purchased in the October 17 sale will be eligible for the Southwestern Pinzgauer Association's Junior Jackpot Show in Shreveport during the Mid-Winter Livestock Show. This show will have a \$5,000 added purse.

For further information on the October 17 Sale and the Junior Jackpot Show contact Gary J. Arnold, Arnold's Fancy A Ranch, Rt. 1, Box 126, Jefferson, Texas 75657, 214/665-2256.

steers and heifers fully steady. Continued hot weather in the area hampering performances of cattle but no reports of death loss due to hot weather have been noted. Some cattle again being marketed with less than average time on feed as the availability of long fed cattle is somewhat limited through most of the area. Steers 34,000: Good and mostly choice 2-3 875-1150 lb 71.00-72.50, late 72.00-72.50. Mixed good and choice 2-3 1000-1175 lb 69.00-71.75, bulk 70.50-71.50. Several pens good and choice 2-3 1100-1250 lb 68.00-70.00 and Corrientes 68.00. Heifers 20,800: Good and mostly choice 2-3 875-1000 lb 67.50-68.50, bulk 68.00-68.50. Mixed good and choice 2-3 875-950 lb 67.00-67.50. Mixed good and choice 2-3 800-850 lb 66.00-67.00. Good and choice 2-4 1000-1250 lb 63.00-65.00.

CHIANINA NEWS

SW Chianina Field Day, Futurity June 7 Reported

Fort Worth — The Southwest Region Chianina Assn.'s second annual field day and futurity show at Fort Worth Stockshow Grounds June 7 drew 182 entries, up from 77 in 1979, first year of the event. Of the 182 entered this year, 143 animals were judged by John McNeil, Canyon, a Beef Cattle Specialist with the Extension Service.

Prizes of \$1,250 were paid for grand champions in three classes judged, heifers, prospect steers and market steers. Reserve champions received \$500 each, and the class winners in each category took home \$100 each.

The grand champion heifer was shown by Rossi Riddell of Fort Worth, and the reserve champion heifer by Thomas Schroeder of Taylor.

In the prospect steer class, Ricky Vogel of Hereford had the grand champion, and Tammy Pressley of Breckenridge the reserve champion. Class winners in the prospect steer judging also included Kelly Watson of Lookoba, Okla.

In the market steer competition, Randy Vogel showed the grand champion, and Todd Honor of Alva, Okla., the reserve champion. Bobby Maddox of Cordell, Okla., also had a class winner.

Next year's third annual Southwest Region Chianina Field Day and futurity will again be held in Fort Worth, said

Chianina Association, P. O. Box 169, Blue Springs, Missouri 64015, phone (816) 229-1944.

Chianinas To Highlight Oklahoma State Fair

September 25 and 26, 1980, is the date selected for the inaugural International Chianina Futurity Show and Sale. This prestigious event will be hosted by the State Fair of Oklahoma and will feature an outstanding display of fullblood and percentage Chianina cattle from across the continent.

The International Chianina Futurity participants will compete for \$7500 in premiums in this first International Chianina event which is sanctioned by the American Chianina Association. Judge for the event will be James Linthoun, noted cowman from Welch, Oklahoma.

Dub Venable, Inc. has announced that show time will be 11:00 a.m., Friday, September 26, 1980, with the sale beginning at 6:30 p.m. that same day. Further information can be obtained through Dub Venable, Inc. Route 1, Anadarko, Oklahoma 73005.

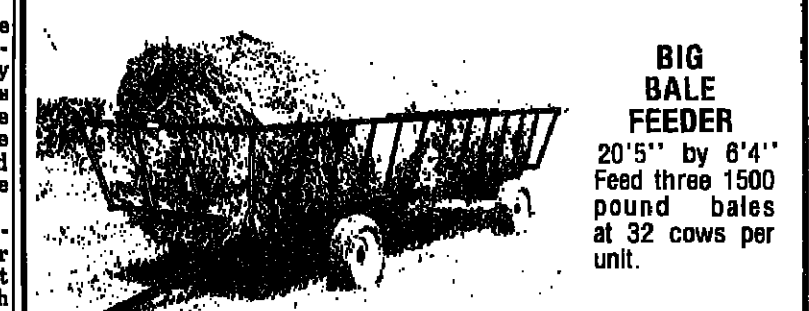

Waco Friday

Waco, Texas, July 18 (F.S.) — Resale 370. Slaughter calves mostly steady. PINZGAUER

... Profitable because they're practical

- ★ GROWTHABILITY
- ★ MOTHERING ABILITY
- ★ CARCASS QUALITY

If you're in the Beef Business, you should consider Pinzgauer. Pinzgauers perform on the Range and in the Feedlot. The Pinzgauer female is noted for her milking ability, high fertility and Longevity.

Although still few in numbers in the United States, compared to other breeds, Pinzgauers have made their mark in feedlot tests, and shows, both on the hoof and in carcass contests.

These are a few reasons why you should take a look at the PRACTICAL PINZGAUER BREED

CALL THESE PINZGAUER BREEDERS TODAY

DRINKING TANK PROBLEMS SOLVED
As well as all reservoirs and spray tanks. Lifetime Tank Coatings for steel plate tanks, corrugated galvanized iron tanks, and rock and concrete tanks. Thousands of these tanks of assorted sizes have been restored to be better than a new tank, not coated. Over 3 million pounds now in service since 1958. Stop all leaks, any size hole or crack. Prevent rust forever. A new tank properly coated will not be replaced in a lifetime. Anyone can apply by brush. Not a paint, the only material known that prevents seepage in basement walls. Twice the hardness of concrete. Write or call for our catalog. All orders shipped same day received. This is our 30th year.

NEED A 40% RETURN!
If you are now receiving a 6% - 14% return on your investment (C.D.'s, bonds, dividends, etc.) After taxes and inflation, you are losing over 5% per year on your dollars.
In today's economy you need a good hedge investment that has been doing in excess of 25% a year. We are the oldest investment company of our kind in America - recommended by leading financial periodicals - and have been providing an investment that has been averaging better than 40% per year for the last six years. It has not gone down in value for 45 consecutive years.

EUROPE SENDS ITS BEST AT LAST.
For 30 years, new breeds of cattle from the continent of Europe have been used in American herds to increase size and performance. Many of them haven't quite measured up to our standards of fertility, calving ease and economic management, but they seemed to be the best we had. No longer.
There is a European breed, already proven in this country, that offers everything the others do, except the problems. They're called Salers (pronounced Sa-lairs) and they are the best beef cattle that Europe has to offer American cattlemen... fertile, hardy, growthy... the most trouble-free cattle ever imported.
And, they're available today. From the people that have developed the American Salers. For more information write or call:

Stuph & Thangs

(CONT. FROM PAGE 1)

shore from some of our naval installations are paved with engines and other materiel which was dumped in the oceans to make room for incoming stuph as they make sure their appropriations are exhausted before they have to turn any money back to the Treasury.

The reason behind this practice may be sound, but it should not be. The military and the Burrocrats figure if they don't blow all of each appropriation they will have a hard time getting the money they want next time around. Of course, it is easy to understand Congressmen getting feathers ruffled when the Youth Conservation Corps in Missouri orders 1,000 pairs of chaps for a group of young people who number only 300.

Natchery the Office of Management & Budget, run by the President, is supposed to control this sort of thang and supposedly has issued orders again such fiscal year-end splurges. But they obviously have other fish to fry and figure what's the diff if a billion here and a billion there slips away.

It is kind of ridiculous for Congressmen to bellyache about this sort of thang just a couple of weeks after they sent the White House what we smilingly refer to as a "deficiency appropriation bill" for \$10.9 billion, which Jimmy signed into law. This dodge on the part of Congress and the Gumbert goes on regularly. It is usually relegated to the back pages of our newspapers and is not near warm enough news to make the radio or T&V news. However these "supplementals" are to cover shortages in funds due either to Congressional underestimates of what the bills they pass are really gonna cost or are to cover up over-spending by the Administration in power or their minions in the Burrocracy.

It appears quite obvious that you and me and the rest of us who foot the Gov'mint's bills need some kind of watch dawg separate and distinct from Congress, the Administration and the Burrocrats. The way it is either of these segments of our Gov'mint appears to have a license to steal and there are enough scampers involved to get this done with monotonous regularity. For instance, we need someone with fangs long enough to bite through the protective curtain these people have and fire guys like the old who issued that order to "obliterate all funds" by the end of 1978 for the Interior Dept.'s Fish & Wildlife Service and others of the same ilk. Interior, by the way is the one that hired a consultant on the last work day of 1978 to find out why it was spending so much money at the end of the fiscal year!

Ever thine,
The Edditar.

P.S.: Uncle Dunk says it looks like Texas may have a rival for the famous snail darter. The Fish & Wildlife Service of the Interior Dept. is reportedly on the trail to get the Devil's River Minnow declared endangered and are trying to stop a flood control dam and when they find out about Lake Amistad they may want to drain it to protect the Devil's River Minnow! Jimmy Carter's council on wages and prices lectures one & all to hold price advances to 8% or less, yet when USDA wants more money for inspecting your rice, it'll cost you 15% more! If one wonders why our friends around the world are leery of America consider Taiwan. We kept 'em out of the Winter Olympics because they would not change the name of their country, dump their flag and national anthem. We issued rules that nothing made in Taiwan can enter the U.S. if it bears the label made in Taiwan or the Republic of China. Now they aim to forbid the Taipei-based China Air line's privilege of flying here, unless they change the name of it! How silly can you get? — Thassall, Brothers!

Additional U. S. Food

Washington — Secretary of Agriculture Bob Bergland today said \$143 million in additional Food for Peace funding for the balance of the fiscal year "will permit us to speed help to countries where the need for food is now critical." A supplemental appropriation bill making the money available was signed by President Carter this week.
